Private Patient **Manager**

As Fitzwilliam Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Rebecca Ash and Gaynor Keys are available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. They are able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Managers offer

Rebecca and Gaynor will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Walk patient's through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Rebecca and Gaynor can be contacted directly as follows:

01733 842 304

rebecca.ash@ramsayhealth.co.uk | gaynor.keys@ramsayhealth.co.uk

GP Liaison **Officer**

In order to facilitate relationships between Fitzwilliam Hospital and the wider healthcare community, we have dedicated GP Liaison Officers working both in and around the Cambridgeshire and Lincolnshire area. Bridgitte Lloyd and Joanne Johnson are responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. They are able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our GPL offers

Bridgitte and Joanne will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Bridgitte and Joanne can be contacted directly as follows:

01733 842 395

Diagnostic Services available at **Fitzwilliam Hospital**

Our service is run by a friendly team of experienced, qualified radiographers. Images are reported by a specialist Consultant Radiologist and sent directly to the GP or referring healthcare professional, usually within 48 hours.

Radiology appointments can only be issued to the patient on receipt of a medical referral from the GP. The radiology form must be completed for all Private and Self Pay Radiology referrals and sent by the Ramsay online Patient Referral system.

Radiology Services available at Fitzwilliam Hospital	
Diagnostic	Min Age
CT	18 yrs +
U/S (non-interventional)	18 yrs +
U/S (interventional)	18 yrs +
Mamography (screening)	18 yrs +
MRI	18 yrs +
X-Ray	18 yrs +

*services listed above are for Private and Self Pay Patients.

Referring **Private Patients Online**

The Ramsay Health Care online Patient Referral system has been designed to allow you to refer private patients easily, quickly and securely to your Ramsay hospital of choice.

As well as being quick and easy to complete, using the online system will also help reduce your postage costs and speed up the referral process - all in a secure, online environment.

To make a referral, simply visit [ramsayhealth.co.uk/patientreferral](https://www.ramsayhealth.co.uk/patientreferral) and complete the short form.

MAKING AN **ONLINE REFERRAL**

1

In your browser go to
www.ramsayhealth.co.uk/patientreferral.

Login with **Ramsayonline**
and Password: **Ramsaygp**

2

Select the Ramsay hospital that
you wish to send the referral to
from the drop-down list

3

Attach a copy of the
referral letter by clicking on
'Select' and adding the file or
copy and paste it directly
into the form

4

Complete the remainder of
the form noting the mandatory
fields marked with an asterisk

If the consultant is unknown please
select 'specialty referral only'

5

Once you have completed
the form, press the
'Submit' button to send
the referral directly to the
Ramsay hospital

6

You see an immediate
confirmation that the referral
has been received (also sent
by email) and the hospital
processes the referral

How to **find us**
