Why wait for treatment?

If you are tired of waiting for treatment, or can not get a particular treatment in your local area, Fitzwilliam Hospital can offer you the choice to be treated at your convenience.

Self Funding

Our TotalCare package is designed for people wishing to fund their own treatment. At Fitzwilliam Hospital we provide private patients with a fully inclusive fixed cost price at the outset of their treatment. This includes any necessary pre operative tests or post operative follow ups. With TotalCare our patients know that there will be no hidden fees or unexpected costs whilst they are under our care.

As a private patient you will receive the following benefits:

**Choice of
Leading
Consultants**

**Convenient
appointment**

**Priority
admission &
discharge**

**Fixed guide
prices with no
hidden fees**

Insurance

If you have private health insurance you may be eligible for surgery. Please contact your insurance company for details of your policy cover.

How much will it cost?

Most people are surprised by how affordable it can be and we even offer interest free loans to help spread the cost.
